School can take no responsibility for any personal injury sustained whilst cycling to and from school.

Cycles left on school premises are still at risk of theft or damage. School accepts no responsibility for any cycles left on school premises.

Parents and Children must agree to the following;

All children must wear a suitable helmet whilst riding their bike.

All children must wear a suitable reflective item of clothing

All bikes must be locked up outside the school main reception. Cycles are not to be left anywhere else within school grounds.

No adult or child is to ride a bike within the school grounds.

Children and accompanying adults observed riding in a dangerous or irresponsible manner will no longer be able to use the school's cycle facilities.

I have read the above information and discussed them with my child. I agree to the terms set out in the agreement.
