# PE day in Reception

- **Tuesday** - indoor PE for all classes (starting week commencing 23<sup>rd</sup> September)
- PE kit should be worn to school on these days.
- NO JEWELLERY ALLOWED for PE
- Earrings must be removed

# The gates/door to come into Reception are:

- The wrought iron gates on Broad Street have steps straight into the Reception outdoor area.

Whilst the building work is going on (from September 2024), sadly there is no step-free access possible. Parents with pushchairs will need to leave pushchairs on the street and carry younger siblings up the gates OR a member of staff will be available to support with supervision.

- All Reception classes use doors from this area, into the cloakroom or straight into their classroom.

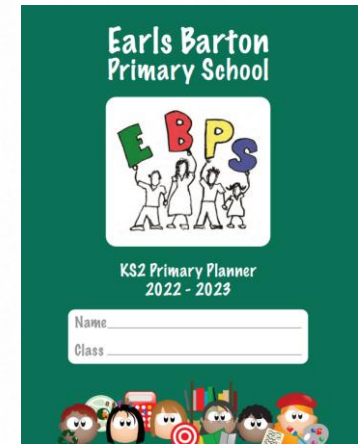

# Visit to the school library

- All Reception classes will visit the library on a **Monday**.
- Children should bring their library book back for exchanging every Monday.
- Their book bag should be in school every day ready for when phonic books start to come home.

# Home-School communication

- We will be using the SeeSaw app to share learning between home and school. Further details available in September with your log-ins and how to use.
- We will also have a home-school planner for every child with term dates, key school information, advice on how to help your child read and more! Each week is dated and we ask that a parent /carer signs to confirm a child has read at home every day (Monday – Friday).
- These planners will be checked weekly to award house points for reading and homework.

# School day

- The classroom doors will open at 8:45am
- Children should be in school by 8:55am daily for registration
- After 8:55am, they are marked as late and should go via the office to sign-in
- After 9:25am children are classed as not attending the morning session as the register has closed. This will be an unauthorised half day absence.

# Uniform

- Polo shirt in plain white or bottle green (no logos or stripes), or plain white shirt/blouse. ☒
